CPC shall also be the exclusive provider of all related existing and future inmate communications and personal inmate communication devices which include, but are not limited to, voice, data and video communication. Communications and communication devices include, but are not limited to, phone calls, messaging applications, email, mail scanning and video. CPC and Customer agree that no other type of inmate personal communication devices will be installed in the jail / detention facility for inmate use without written agreement between both parties.

CPC Equipment:

The ITS and all associated equipment installed under this agreement shall remain the sole and exclusive property of CPC. Customer will promptly report to CPC misuse, destruction, or vandalism of the system and associated equipment. Customer will not use the ITS for Customer's business purposes nor list or advertise in any manner the telephone numbers of the ITS without the prior written consent of CPC.

Customer Access to Equipment and Reports:

CPC will provide Customer with password protected access to the ITS, allowing Customer's staff to monitor and record calls and run call detail reports. Call detail reports will be stored off site at a secure CPC location. CPC technicians will train Customer's authorized staff on the usage of the system.

Service Agreement:

All service and maintenance of the ITS will be the sole responsibility of CPC.

KIOSK and/or Vending Machine:

Customer agrees to exclusively permit CPC to install a KIOSK and/or vending machine(s) for the purpose of selling prepaid talk time minutes and any other inmate communication services to the inmate or friends and family. Pin Debit Transfers:

Customer may ask CPC to interface with Customer's commissary services provider for the purpose of allowing phone time Pin Debit transfers from an inmate's commissary trust account into an inmate's prepaid phone time account with CPC. As such, deposits will be made into the commissary trust account for the benefit of inmates and collected by and held by Customer. At the time an inmate initiates a transfer to Vendor to purchase prepaid phone time, CPC's system will recognize the prepaid purchase, but Customer will continue to hold the cash deposit. At the end of each month, CPC will invoice Customer for the total amount of inmate-initiated transfers from the commissary trust account to purchase phone time.

Customer agrees that payment terms for this invoice will be "due upon receipt" and will be paid to CPC directly from the commissary trust fund. Additionally, at the request of CPC, Customer agrees to work with CPC to establish a direct ACH transfer to transfer money from the commissary trust account to CPC for the total amount of commissary pin debit transfers. In the event that an invoice remains unpaid for greater than

30 days, CPC, in its sole discretion, may withhold payment of any commissions or other payments due to Customer until the past due invoice has been paid. Customer explicitly agrees that non-payment of commissions or other payments due to past due invoices does not constitute a breach of the Agreement.

Taxes, Regulatory & Network Fees:

Taxes, regulatory and service fees are deducted at the point of sale; network connection costs are deducted from the total talk time usage. Additionally, total phone usage will be adjusted for false phone time usage resulting from chargeback deposits.

Calling Rates:

CPC will charge telephone rates allowed by tariff, if applicable. The rates may be amended by CPC and the customer.

Liability:

CPC will have no liability for damage to Customer's premises from the installation, use or removal of the ITS or associated equipment unless such damage is the result of negligence of CPC agents or employees. Customer agrees that all recordings required to be obtained and stored as part of providing services under this Agreement are property of the Customer. Customer further agrees that CPC will have no liability for the content of recordings on behalf of the Customer.

Indemnification:

As further consideration for this agreement for installation of inmate telephones in the jail, CPC hereby agrees to indemnify and hold harmless the Customer in any and all claims arising by reason of allegations of excessive charges in violation of any state or federal statute or regulatory ruling. In the event of future legislation or administrative regulation materially alters the charges which may be made by CPC, CPC agrees to abide by any such statute or ruling and bring their conduct of charges into compliance with said authority. In the event that any future legislation or administrative regulation materially alters the terms of this agreement, this Agreement shall, at the option of either party, be subject to re-negotiation between the parties.

Regulatory Changes:

In the event that new and/or revised government regulations prevent CPC from providing commission or services to the Customer, CPC will have the right to renegotiate this Agreement with the Customer.

Uncontrollable Circumstances:

CPC reserves the right to renegotiate this Agreement if circumstances arise outside our control related to acts of God, change in call rates, regulations, operations mandated by law, reduction in inmate population or capacity, material changes in jail policy or economic conditions.

Maintenance and Repair:

CPC may remove or replace the ITS or associated equipment from any given location when damage to the system or associated equipment, whether by vandalism or otherwise, warrants removal. CPC, with the consent of Customer, may adjust the number of inmate telephones at the premise when, in CPC's judgment, the revenue generated by the existing inmate telephones warrants such adjustments.

Termination:

Either party may terminate this Agreement in the event that the other party materially fails to perform its obligations under this Agreement and said material failure shall continue for a period of thirty (30) days after written notice to the defaulting party of said failure is given. In the event any governmental tariff or regulation prevents CPC from providing services or such tariffs or regulations make continuation of this agreement impractical for economic reasons or otherwise, then CPC at its sole discretion may terminate this Agreement without liability. In the event of a termination of this Agreement for any reason, the Customer

agrees to allow CPC access to the facility in order to remove all equipment, including but not limited to inmate telephones and all associated equipment. CPC agrees to remove the equipment within thirty days after termination of this Agreement.

Resolution of Disputes:

Any and all disputes arising under this agreement shall be brought in a court of appropriate venue and competent jurisdiction.
