INMATE TELEPHONE SERVICE AGREEMENT

This Inmate Telephone Service Agreement ("Agreement") is made by and between Global Tel*Link Corporation ("GTL" or "Company"), having its principal place of business at 2609 Cameron Street, Mobile, Alabama 36607 and the Chemung County Jail, located at 203 Williams Street, PO Box 588 Elmira, NY 14902 ("Premise Provider").

1. **Term.** This Agreement shall be in effect for four (4) years, commencing from the date of the full execution of this Agreement. Commission calculations shall begin as of the first date of documented operation and first call completion. Unless either party notifies the other in writing of its intention not to renew this Agreement at least ninety (90) days from the end of the original or any renewal term, this Agreement shall automatically renew for additional one (1) year terms.

2. **Equipment.** This Agreement applies to the installation, management, operation and maintenance of inmate telephones, enclosures, and related equipment furnished by the Company as listed on Exhibit A at the time of execution of the Agreement or during the term of this Agreement, whether existing, newly installed or renovated, located at: the Chemung County Jail, Elmira New York (Facility) and all other facilities under the control of Premise Provider.

The term "Equipment" is defined herein as the inmate telephone set(s) and related equipment, including but not limited to guard posts, concrete pads, mast poles, and site preparation. Where guard posts, concrete pads, enclosures, pedestals, bumper pads, or other property of the Company are installed upon the premises owned or controlled by Premise Provider or any of its agencies or affiliates, such property shall remain in all respects that of the Company. The Company reserves the right to remove or relocate equipment which is subjected to recurring vandalism or insufficient traffic and/or revenue to warrant the continuation of service. The Company shall not exercise such a right of removal or relocation unreasonably. The Company will notify the Premise Provider in writing of its intention to remove or relocate prior to such action. Upon removal of equipment by the Company, the Company shall restore said premise to its original condition, ordinary wear and tear excepted. However, the Company shall not be liable for holes placed in walls, pillars, or floors or other conditions on the premises which resulted from the proper installation of equipment described herein. The Premise Provider may not make alterations or attachments to the Equipment provided under this agreement, unless otherwise mutually agreed upon by all parties.

3. **Services.** At no cost to the Premise Provider, the Company shall provide all management services necessary to implement this Agreement; and shall be responsible for furnishing, installing, repairing and servicing the Equipment; the establishment (if and to the extent required by the Company) and compliance with all tariffs and all rules, regulations, orders and policies of federal and state regulatory authorities applicable to the payphone and automated operator services provided by the Company; the establishment and maintenance of all billing and payment arrangements with the local and interexchange carriers; the processing of all telephone call records; the performance (alone or through others) of all validation, billing, outclearing and collection services; and the handling of all billing and other inquiries, fraud control, and all other services essential to the performance of the Company's obligations under this Agreement. The Company reserves the right to control unbillables, bad debt and fraud.

CONFIDENTIAL

4. Compensation. Remuneration shall be forty seven percent (47%) of the gross revenue billed or prepaid for all phones covered by this Agreement. Gross Revenue shall mean all revenue generated by every completed call that is accepted by an end user and billed via a local exchange carrier or prepaid to Company. Gross revenue on which monthly commission will be paid does not include: (i) taxes and tax-related surcharges; (ii) credits; (iii) account transaction fees; and (iv) any amount Company collects for, or pays to, third parties, including but not limited to payments in support of statutory or regulatory programs mandated by governmental or quasi-governmental authorities, such as the Federal Universal Service Fee, and any costs incurred by Company in connection with such programs. Payments shall be paid monthly. All commission payments shall be considered final and binding upon the Premise Provider unless written objection is received by the Company in accordance with Section 10 within sixty (60) days of receipt of commission payment by the Premise Provider.

Company shall provide the Premise Provider with a one-time technology grant in the amount of forty-five thousand dollars (\$45,000.00). This technology grant shall be paid in four equal installments of \$11,250.00 at the beginning of each contract year.

Commission payments will be delivered to the address listed in this Section, which may be changed by Premise Provider from time to time upon notice to Company in accordance with terms of the notice provision of this Agreement.

5. Rates. The telephone rate structure and surcharge rates shall not exceed the maximum rates as authorized by the state's telecommunication regulatory authority and the Federal Communications Commission (FCC). Any rate changes mandated by the state/local regulatory authority and/or the FCC which adversely affect this Agreement shall entitle the Company to, at its option, renegotiate or cancel this Agreement in accordance with Paragraph 18 below.

6. Records & Confidentiality. The Company shall maintain records sufficient to permit proper determination of funds due the Premise Provider. Such records shall be made available to the Premise Provider for review upon request.

From the date this Agreement is signed by both parties until three (3) years after the expiration or earlier termination of the Agreement, the parties shall keep confidential the terms of this Agreement and of the response of Company to any request for proposal that led to this Agreement. Each party shall also keep confidential any information it learns about the other's business or operations during its performance under this Agreement. The parties may make disclosures to employees, shareholders, agents, attorneys and accountants (collectively, "Agents") as required to perform their obligations hereunder, provided, however, that the parties shall cause all Agents to honor the provisions of this Section. The parties may also make disclosures as required by law as long as, before any disclosure, the party subject to the disclosure requirement promptly notifies the other party of the requirement and allows the other party the opportunity to oppose the disclosure. Neither party will be obligated to keep confidential the other's information to the extent it was known to that party prior to the date of this Agreement without any obligation or request for confidentiality, is or becomes publicly known through no wrongful act of the party, is rightfully received from a third party who has no confidentiality obligation with respect to the information, or is developed independently by the party (and this can be verified).

The revenue payment and reporting cycle will be a maximum of 45 days following the end of the previous month. Both summary and detail reports will be provided. The original reports and payment will be mailed

directly to the Premise Provider. The following information will be provided for each location by telephone number:

- Total minutes of use
- Type of call

7. Further Assurances. During the term of this Agreement, including any renewal period(s), Premise Provider agrees to:

- (b) Provide, at its expense, necessary power and power source, and provide suitable space, accessible to the users.
- (c) Permit reasonable access to its respective facilities without charge or prejudice to Company employees or representatives, patrons, or consignees.
- (d) Premise Provider represents and warrants that it has legal authority to enter into this Agreement and to make all decisions concerning the providing of space and the installation and use of the Equipment at the Facility; and agrees that during the term of this Agreement, including any renewal period(s), the Company shall have the exclusive right to provide inmate and/or payphone service at the Facility provided, however, that the Company may choose not to exercise this exclusive right.
- (e) During the term of this agreement, Premise Provider agrees it will not allow other pay telephones or inmate telephones to either remain or be installed at the facility's property. This is to include any additional inmate telephones required to facilitate Premise Provider's expansion at its present or future location(s) during the term of this Agreement and any extensions of this Agreement.
- (f) Stipulate that Company has no responsibility to advise Premise Provider with respect to any law, regulation, or guideline that may govern or control telephone call recordation or monitoring by Premise Provider, or compliance therewith. Premise Provider has its own legal counsel to advise it concerning any and all such law, regulation, or guideline, and compliance therewith, and makes its own determination on when and how to use the inmate call monitoring and recording capabilities supplied through this Agreement. Company disclaims any responsibility to provide, and in fact has not provided, Premise Provider any legal advice concerning such applicable law, regulation, or guideline, or compliance therewith. Premise Provider agrees to indemnify, defend, and hold Company harmless from any liability, claims, suits, proceedings, damages, costs, and expenses (including attorney's fees) relating to any claims made against Company arising out of failure of Premise Provider (or the Company at the direction of the Premise Provider) to comply with such law, regulation or guideline.
- (g) Acknowledge that all call detail records (CDRs) and call recordings contained in the inmate telephone system equipment provided by Company to Premise Provider are the exclusive property of the Premise Provider for the term of this Agreement and any resulting extensions of this Agreement; provided, however, that Company shall have the right to use the CDRs and recordings to respond to legal requests, to provide the services under this Agreement, and for other lawful business purposes.

8. Title. Title to Equipment hereunder shall be and at all times remain in the Company.

13. Risk of Loss. The Company and its insurers, if any, shall relieve Premise Provider of all risks of loss or damage to the Equipment during the periods of transportation, installation and operation of the Equipment. However, Premise Provider shall be responsible for loss or damage to Equipment in its possession caused by fault or negligence of Premise Provider or its employees.

14. Default. In the event any party shall be in breach or default of any terms, conditions, or covenants of this agreement and such breach or default shall continue for a period of thirty (30) days after the giving of written notice thereof to any party by the other, then in addition to all other rights and remedies of law or equity or otherwise, the offended party shall have the right to cancel this agreement without charge of liability.

Company shall be solely responsible and liable for compliance with all laws, rules and regulations and payment of all wages, unemployment, social security and other payroll taxes relating to Company's employees including contribution from such persons, when required by law.

17. Solicitation. The Premise Provider acknowledges that no officer or employee of the Company has been employed, induced, or directed by Premise Provider to solicit or secure this agreement with the Company upon agreement, offer, understanding, or implication involving any form of remuneration whatsoever. Premise Provider agrees, in the event of an allegation of substance (the determination of which will be solely made by the Company) that there has been a violation hereof, Premise Provider will cooperate in every reasonable manner with the Company in establishing whether the allegation is true. Notwithstanding any provisions of this agreement to the contrary, if a violation of this provision is found to have occurred and is deemed material by the Company, the Company may terminate this agreement.

18. Force Majeure. Neither party to this Agreement shall be responsible or liable to the other for delays or inability to act or perform their obligations under this contract due to circumstances, events or acts of others beyond their reasonable control, including, but not limited to, acts of God, fire, flood, storm, hurricane, tornado, theft of equipment, or changes in regulatory rules or regulations affecting the ability of either party to reasonably carry out its obligations under this Agreement. It is agreed and understood that this Agreement will be subject to termination by either party upon sixty (60) days notice to the other should there be imposed upon Premise Provider or Company any rule or regulation by any state, federal or local regulatory agency which would substantially adversely affect the operation of the equipment or service provided hereunder.

19. Dispute Resolution. Premise Provider and Company agree that any disputes or claims arising under this Agreement shall be resolved through alternative dispute resolution means in the following manner:

- (a) Initially, the parties shall engage in non-binding mediation. Mediation shall be held in New York. The mediator shall be jointly appointed by the parties and shall have expertise in commercial dispute resolution.
- (b) In the event the dispute or claim is not satisfactorily resolved through mediation within ninety (90) days of notice of such claim or dispute by a party, the parties agree to submit such dispute or claim to binding arbitration. Arbitration shall be held in New York. If Premise Provider is a foreign (non-US) corporation and delivery of the goods under this agreement is to a foreign (non-US) destination, then the commercial arbitration rules of the International Chamber of Commerce shall apply. In all other instances the commercial arbitration rules of the American Arbitration Association shall apply. Any judgment, decision or award by the arbitrators shall be final and binding on the parties and may be enforced in any court having jurisdiction over a party against whom any such judgment, decision or award is to be enforced. - (c) The parties shall bear their own costs and expenses (including attorney's fees) for any mediation or arbitration, unless otherwise directed by the mediator or arbitrator.

20. Survival. Upon the expiration or earlier termination of the term of this Agreement, the parties shall have no further obligations to each other, except as specifically provided in a written agreement, duly executed by the parties. Notwithstanding the foregoing, Sections 7(f), 8, 9, 11, and 12 shall survive the expiration or earlier termination of this Agreement, and neither party will be released from any liability arising from any breach or violation by that party of the terms of this Agreement prior to the expiration or termination.

22. Amendment. No course of dealing between the parties, their employees, agents or representatives, shall vary any of the terms hereof. This Agreement may be modified, amended, or supplemented only by a written agreement executed by the parties.

23. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be an original, and all of which shall be one and the same contract.

IN WITNESS WHEREOF, the foregoing Agreement has been executed by the parties hereto, this 9th day of December, 2013.
