

**Master Services Agreement
Jefferson County Sheriff's Office**

This Master Services Agreement (this "Agreement") is by and between Jefferson County Sheriff's Office ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and will be effective as of the later of June 24, 2017 or the last date signed by either party (the "Effective Date").

Whereas, the Customer desires and Provider agrees that Provider will install an inmate telecommunication system and will provide telecommunications and maintenance services according to the terms and conditions set forth herein and in the attached Schedule(s) and Statement of Work, which are incorporated by reference;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **Applications.** This Agreement specifies the general terms and conditions under which we will provide certain inmate-related services and applications (the "Application(s)") to you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule will govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time will govern.

2. **Use of Applications.** You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facility or facilities identified in the Schedule (the "Facility" or "Facilities"). You are responsible for the manner in which you and your respective users use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in the attached Access-Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider will be the sole and exclusive provider of the services and Applications provided for in this Agreement at all existing and future correctional facilities under the authority of Customer and in lieu of any other third party providing such services, including without limitation, Customer's employees, agents, or subcontractors.

3. **Compensation.** Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.

4. **Term.** The initial term of this Agreement (the "Initial Term") will begin on the Effective Date and will end on the date that is 60 months thereafter. Unless one party delivers to the other written notice of non-renewal at least 90 days before the end of the then current term, this Agreement will automatically renew for successive periods of 12 months each. Notwithstanding anything to the contrary, the terms and conditions of this Agreement will continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.

The payment of Customer obligations hereunder in fiscal years after the current year are contingent upon funds for this Agreement being appropriated and budgeted. If funds for this Agreement are not appropriated and budgeted in the year after the fiscal year of issuance of this Agreement the Customer may terminate this Agreement. The Customer's current fiscal year is the calendar year. Additionally, such cancellation shall not impose any penalty against the Customer in the event of a failure to appropriate sufficient funds.

5. **Service Level Agreement and Limited Remedy.** We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.

6. **Software License.** We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). In connection therewith, Customer represents that (i) it will be responsible for distributing and assigning licenses

to its end users, and (ii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein. The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide will be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information (excepting call records, recorded communications and, if applicable, e-mails, for which you retain ownership) will at all times remain our sole and exclusive property unless prohibited by law. During the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all call records, recorded communications, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) performing billing and collection functions, or (iii) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Data Security. The Provider represents and warrants that: (a) It will take all reasonable precautions to maintain all data or information provided by or transmitted by Customer ("Customer Data") in a secure environment to prevent unauthorized access, use, or disclosure, including industry-accepted firewalls, up-to-date anti-virus software, and controlled access to the physical location of the hardware containing Customer Data, (b) its collection, access, use, storage, disposal and disclosure of Customer Data shall comply with all applicable data protection laws, as well as all other applicable regulations and directives, (c) it will notify the Customer of any actual or suspected data security incident as soon as practicable, but no later than 24 hours after it becomes aware of it, and (d) it will promptly return or destroy any Customer Data upon request from the Customer.

10. Private Number Designation. We will provide you with the ability to designate certain numbers (for example, attorney or clergy numbers) as "Private" within our Secure Call Platform. Calls to numbers designated as Private will not be recorded by us. Although we will maintain your Private list within our Secure Call Platform, you acknowledge and agree that you will have the sole discretion, authority, and responsibility for designating numbers as Private, and that we have no discretion, authority, or responsibility for making such designations, unless done so at your instruction. Further, to the fullest extent allowed by applicable law, you and/or your employees, agents, or contractors agree to be responsible for any loss, cost, claim, liability, damage, and expense, including, without limitation, reasonable attorney's fees and expenses, arising out of the recording or monitoring of calls to numbers that should have been, but were not, designated by you as Private.

11. Confidentiality and Non-Disclosure. The System, Applications, and related call records and information (the "Confidential Information") will at all times remain confidential to Provider. You agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you will only access the Software with computer systems that have effective firewall and anti-virus protection.

12. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense, including, without limitation, reasonable

attorney's fees and expenses (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement. Provider agrees to indemnify, defend, and hold harmless Customer against any claim for a breach of confidentiality, breach of data security, or intellectual property infringement.

13. Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and the Facility's demographics. To the extent allowed by law, Customer agrees to hold the Provider harmless against any and all Claims arising out of or related to instruction Provider receives from Customer.

14. Insurance. We agree to meet the insurance requirements detailed in the attached Exhibit A. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent.

15. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, the non-defaulting party will give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within 30 days after receipt of the notice of default, the non-defaulting party will have the right to terminate this Agreement upon 30 days' written notice and to pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the 30 day cure period will be extended to 90 days if the default is not reasonably susceptible to cure within such 30 day period, but only if the defaulting party has begun to cure the default during the 30 day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if Customer breaches its obligations in the section entitled "Software License" or the section entitled "Confidentiality", Provider will have the right to terminate this Agreement immediately. In the event of Provider's uncured default, Customer shall be entitled to a prorated payment equivalent to 60 days of any guaranteed minimum annual commission due upon the date of termination.

16. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY WILL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE 12 MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

17. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon 60 days' advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy; actions you take for security reasons (e.g., Lockdowns); negatively impact our business; however, we will not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state, or local regulatory requirements and restrictions that are subject to change from time-to-time and that nothing contained herein to the contrary will restrict Provider from taking any steps necessary to perform in compliance therewith.

18. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party will be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

19. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God; war; civil disturbance; terrorism; strikes; supply or market, failure of a third party's performance; failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment; other equipment failure or similar event beyond its reasonable control; provided, however that the affected party will use reasonable efforts to remove such causes of non-performance.

20. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute will be in writing and will be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by

written notice in compliance with this section. Notices will be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – 5 days after deposit; and courier – when delivered as shown by courier records.

21. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement will not be construed so as to create such status. The rights, duties, and obligations contained herein will operate only between the parties and will inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone will have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

22. Miscellaneous. This Agreement will be governed by and construed in accordance with the laws of the state where the Facility is located. No waiver by either party of any event of default under this Agreement will operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions will remain unaffected. This Agreement will be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each will comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement will be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can be modified only by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, will survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which will be fully effective as an original, and all of which together will constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment will have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

("we" or "Provider"), and Jefferson County Sheriff's Office ("you" or "Customer") and is part of and governed by the Master Services Agreement (the "Agreement") executed by the parties. The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

SCP provides the ability to store call recordings in a secure, redundant environment. We will store call recordings for a period of 12 months from the date of recording, after which they will be permanently deleted. SCP also provides you with the ability to download and store call recordings. You are solely responsible for preserving any call recordings beyond the storage period by downloading them to a separate storage medium.

SCP also includes the ability to integrate inmate Debit accounts. A Debit account is a prepaid, inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate friends and family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by friends and family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). Provider requires inmate to key in his/her PIN at the beginning of every Debit call to complete the call and pay for the call using the inmate's Debit account. If implemented, Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer Debit account to inmates. If implemented, Customer also agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

The Provider acknowledges that it is responsible for the security of any credit cardholder data that it possesses, including the functions relating to storing, processing, and transmitting of the cardholder data through any of the hardware or software provided under this Agreement. The Provider further agrees that as of the effective date of this Agreement, the Provider has complied with all applicable requirements to be considered compliant with the current Payment Card Industry Data Security Standard.

INVOICING AND COMPENSATION:

Collect and Inmate Debit Calls. We will pay you a commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect and inmate Debit calls, excluding interstate calls, placed from the Facilities as specified in the chart below. "Gross Revenues" means all gross billed revenues relating to completed collect and inmate Debit calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. For inmate

Debit calls, Provider reserves the right to deduct call credits from Gross Revenue. e will remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments will be final and binding upon you unless we receive written objection within 60 days after the Payment Date. Your payment address is as set forth in the chart below. You will notify us in writing at least 60 days before a Payment Date of any change in your payment address.

In addition, Provider will invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt.

Advanced Commissions and Minimum Annual Guarantee. On the first day of the month following this Schedule Effective Date, we will prepay you a Commission in the amount of \$482,000 (the "Prepaid Commission"). The Prepaid Commission will be paid back to us through 100% commission deductions during the 12 months following the Schedule Effective Date. If this Agreement is terminated for any reason other than our default, the Customer will, within 15 days of the termination date, refund any unearned portion of the Prepaid Commission. In years 2 – 5 of the Initial Term, Provider will pay Customer an 80% rate of compensation on eligible intrastate gross revenues. Such compensation will be paid monthly with a minimum annual guarantee amount of \$482,000. In the event Customer's actual Commission earned at the end of each contract year is less than the minimum annual guarantee of \$482,000, Provider will pay Customer the difference within forty-five (45) days of the end of the then-current contract year. If (1) the ADP levels decline by more than 5% and/or (2) the Colorado Public Service Commission or the Federal Communications Commission issues regulations that mandate lower calling rates, the parties agree to negotiate in good faith to reduce the Commissions, the monthly compensation and the minimum annual guarantee.

Text2Connect™ promotional calls are not commissionable, and Provider will pay Customer a bonus payment of \$0.30 for each transaction fee billed and collected by the wireless carrier completed through the Text2Connect™ platform. Bonus

Schedule: SECURUS VIDEO VISITATION
Jefferson County Sheriff's Office

This Securus Video Visitation Schedule is made part of and governed by the Master Services Agreement (the "Agreement") executed between Securus Technologies, Inc. ("we" or "Provider" or "Securus") and Jefferson County Sheriff's Office ("you" or "Customer"). The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

In addition to the Applications otherwise being provided to Customer pursuant to the Agreement, Provider will deploy a Video Visitation System as specified in Attachment 1 at the Facility(s) during the Term of the Agreement.

TERMS:

Provider will charge Securus Video Visitation session charges that are in compliance with state and federal regulatory requirements, and Provider may impose time limitations on Video Visitation sessions at its discretion; provided, however, that Provider reserves the right, at its sole option, to (i) offer promotional pricing, (ii) offer monthly flat rate subscription services, which would allow for unlimited monthly remote visits (certain restrictions may apply), and (iii) to extend the duration of visitation sessions. If Customer wishes to offer free sessions for any reason other than as allowed pursuant to the Agreement, a session charge equal to the then-current session rate, plus applicable taxes/fees/surcharges, will apply and will be invoiced to Customer. As used herein, "remote" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a location not on Customer's premises. "On-site" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a terminal located on Customer's premises.

Customer will allow Provider to market and promote the use of the Video Visitation System to the inmates, in-person visitors, phone call participants and potential friends and family end users of the System by allowing Provider to (a) distribute Securus' promotional literature in the Facility's visitation lobby; (b) unless otherwise prohibited by Customer's telephone service contract, add a recording to the IVR phone system promoting Securus Video Visitation Services to phone call participants; and (c) issue a joint press release regarding the execution of this agreement by both parties. All Video Visitation sessions must be scheduled online by the visitor by accessing Provider's website at www.securustech.net.

If applicable, all recorded Video Visitation sessions will have a standard retention of 30 days from the recording date. It is the responsibility of Customer to remove any desired recordings from the housing location for permanent storage within 30 days of their recordings as they may be permanently deleted by Provider after that time. Provider is not responsible for the loss or quality of any such recordings or the deletion of such recordings after 30 days. Further, it is Customer's sole responsibility to (i) establish and communicate its policies regarding the monitoring and/or recording of private visits (i.e., attorney/client visits, clergy visits or other visits approved and implemented by Customer), and (ii) provide for appropriate accommodations to allow for non-recorded visits, as necessary.

PAYMENT OPTIONS:

The upfront and recurring operational costs for the deployment, management and support of the Video Visitation System are set forth in Attachment 1 (the "upfront costs"). Customer, at its option, may either elect to pay the upfront costs itself or have Provider pay the upfront costs by choosing one of the following options (place a check ("✓" or "X") next to option selected):

- Option 1: Customer elects to pay all of the upfront costs set forth in Attachment 1 hereto. By choosing this option, the four additional requirements listed under Option 2 will not apply.
- Option 2: Customer elects to have Provider pay the upfront costs set forth in Attachment 1. By choosing this option, Customer agrees to implement the following additional requirements (which are designed to (i) maximize the full utilization of the Video Visitation System at the Facility(s), (ii) assist Customer in maximizing the scheduling System Software, (iii) improve and automate manual visitation processes, (iv) increase officer safety, (v) maximize the options to the inmates and public to conduct visitation, and (vi) thus allow Provider to recover the upfront costs over time):

1. Customer agrees that Video Visitation must be available for paid remote sessions seven days a week for a minimum of 80 hours per Video Visitation terminal per week.

2. Customer will allow inmates to conduct remote visits without quantity limits other except to the extent that limitations on remote visits are necessary for safety, security, order, discipline, or control within the facility.
3. All on-site Video Visitation sessions will be required to be scheduled at least 24 hours in advance, where practicable.
4. Within 6 months following deployment of the Video Visitation System, Customer will endeavor to reach at least one remote paid Video Visitation session per inmate per month. If at any time during the Term of the Agreement after the first 12 months following deployment of the Video Visitation System, Customer's utilization of the Video Visitation System is not on plan to allow Provider to recover such upfront funding due to unrealized revenue, then Provider may recover such unrealized revenue through, at Provider's option, contract term extension, and/or payment by Customer by invoice.

Further, because Customer elects to have Provider fund the upfront Total Cost of Customer's Investment, if the Agreement is terminated for any reason before the end of the Term, Customer will refund the prorated amount of the Total Cost as set forth in the attached Sales Order Form. Customer will pay such refund within 10 days after such termination, or, at Provider's election, Provider may deduct the refund from any Commission owed to Customer.

COMPENSATION: (Paid Remote Video Visitation Only)

Video visitation is not an FCC regulated telecom service; accordingly, in exchange for Customer allowing Provider to utilize Customer's property and wiring for placement of video visitation terminals, Provider agrees to pay Customer a percentage of the session charges paid to Provider, excluding applicable taxes/fees/surcharges, for Video Visitation sessions placed to Customer's Facilities as specified in the chart below (the "Video Visitation Payment"). Provider reserves the right to deduct Video Visitation session credits from revenue upon which payments to Customer are calculated. Provider will remit the Video Visitation Payment for a calendar month to Customer on or before the 30th day of the following calendar month in which the paid remote Video Visitation sessions were held (the "Payment Date"). All Video Visitation Payments will be final and binding upon Customer unless Provider receives written objection within 60 days after the Payment Date.

Type of Video Visitation	Video Visitation Payment (Paid Remote Video Visitation Only)
Remote Paid	50%*

*Notwithstanding anything to the contrary, the parties acknowledge that the provision of the Video Visitation services hereunder is based on Customer's estimated Average Daily Population and a minimum of one remote paid visit per inmate per month. Therefore, if the number of remote paid visits averages less than one per inmate per month, Provider reserves the right, no sooner than 12 months after the execution of this Agreement, to renegotiate payment hereunder or discontinue the services.

Customer is responsible for all Jail Management System (JMS) and Commissary integration fees as well as electrical installation, unless otherwise specified in Attachment 1.

WARRANTY: Provider warrants that the services it provides as contemplated in and by this Schedule will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider further warrants that its agent(s) and/or employee(s) utilized by it in the performance of its obligations under this Schedule will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this Schedule, Provider will undertake to correct such errors or omissions within a reasonable time period. If Customer purchases from Provider any hardware components in connection with the services hereunder ("Hardware Components"), Provider warrants such components to be free from material defects under normal use, maintenance and service for a period of 12 months from the date of installation of the Hardware Components. This warranty will be conditional on Customer's compliance with the provisions of this Warranty section.

Provider makes no warranty with respect to low performance, damages or defects in any Hardware Component caused by misuse, misapplication, neglect or accident, nor does Company make any warranty as to any Hardware Component that has been repaired or altered in any way, which, in the sole judgment of Provider affects the performance or purpose for which the Hardware Component was manufactured.

When applicable, Provider will provide the required replacement parts and components free of charge.

THE WARRANTY OBLIGATIONS OF PROVIDER WITH RESPECT TO THE HARDWARE COMPONENTS ARE STRICTLY LIMITED TO THE REPLACEMENT OF ANY DEFECTIVE HARDWARE COMPONENT. IN NO EVENT AND UNDER NO CIRCUMSTANCES WILL THE LIABILITY OF PROVIDER EXCEED THE UNIT PRICE PAID BY CUSTOMER FOR ANY DEFECTIVE HARDWARE COMPONENT OR PART THEREOF.

EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN A SCHEDULE TO THE AGREEMENT, THE SERVICES AND ANY HARDWARE COMPONENT TO BE PROVIDED HEREUNDER ARE PROVIDED WITHOUT ANY OTHER WARRANTY OR GUARANTY OF ANY KIND AND PROVIDER DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

OWNERSHIP AND USE. The Video Visitation System and Software will at all times remain Provider's sole and exclusive property. Provider (or Provider's licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to Provider's Applications, the Video Visitation System, and Provider's other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

LEGALITY/LIMITED LICENSE AGREEMENT: For services related to applications which may allow Customer to monitor and record inmate visitation sessions, by providing the application, Provider makes no representation or warranty as to the legality of recording or monitoring such sessions. Customer may utilize settings to disable the monitoring and recording function to prevent monitoring and recording of private sessions (i.e., attorney client privileged communications, clergy visits, etc.) which will be Customer's sole responsibility to identify, approve and disable. Further, Customer retains custody and ownership of all recordings; however Customer grants Provider a perpetual limited license to compile, store, and access recordings for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate visitation sessions with their attorneys or to recordings protected from disclosure by other applicable privileges.

IN WITNESS WHEREOF, the parties have caused this Video Visitation Schedule to be executed as of the Schedule Effective Date by their duly authorized representatives.
