Subject: Re: [EXTERNAL] Public Records Request (non-inmate records)

Ms. Krause -- thank you for clarifying the correct procedure.

To the CPRA desk: please accept the following request, copied from my original email:

Please accept this request, pursuant to the California Public Records Act, Cal. Gov. Code § 6251, *et seq.*, for the following document(s) maintained by your agency: All currently operative contracts (including amendments) between Orange County and Global Tel*Link Corporation (or Global Tel*Link doing business as ViaPath Technologies).

I would prefer to receive responsive records via email (sent to sraher@prisonpolicy.org), however, I will accept paper documents if necessary, mailed to my attention at P.O. Box 15189, Portland, OR 97293.

Due to the public-interest focus of our organization's work, and the lack of any commercial benefit to our

organization, I respectfully ask that any fee for this document request be waived. Nonetheless, if you deny this request for a fee waiver, I agree to pay any reasonable copying and postage fees of not more than \$25. If the cost would be greater than this amount, please notify me. In any event, if there are associated fees, please provide an invoice indicating the charges for each document.

I hope to hear from you in 10 days as contemplated by Cal. Gov. Code § 6253(c). If you choose to deny this request, please provide a written explanation for the denial, including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material.

If you have any questions concerning this request, do not hesitate to contact me at sraher@prisonpolicy.org or by phone at (413) 527-0845, ext. 316.

Sincerely,

Stephen Raher
