1. Term. This Fourth Amendment shall commence on the Fourth Amendment Effective Date and shall remain in effect through the Term of the Agreement. Notwithstanding anything to the contrary, the terms and conditions of the Agreement shall continue to apply for so long as we continue to provide the Applications to you after the expiration or earlier termination of this Agreement.

INMATE DEBIT

DESCRIPTION:

A Debit account is a prepaid, inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate friends and family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by friends and family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). Provider requires inmate to key in his/her PIN at the beginning of every Debit call to complete the call and pay for the call using the inmate's Debit account. Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer Debit account to inmates. Customer agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Provider will invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt. Provider will pay Customer a 40% commission on the revenue that Provider earns through the completion of Debit calls, **excluding revenue from interstate calls***, placed from Customer's Facility(s). Provider reserves the right to deduct call credits from usage. Provider will remit the commission for a calendar month to Customer on or before the 30th day after the end of the calendar month in which the Debit calls were made (the "Payment Date"). All commission payments will be final and binding upon Customer unless Provider receives written objection within 60 days after the Payment Date.

***Notwithstanding anything to the contrary contained in the Agreement, in accordance with Federal Communications Commission 47 CFR Part 64 [WC Docket No. 12-375; FCC 13-113] – Rates for Interstate Calling Services - effective February 11, 2014, no commission will be paid on revenues earned through the completion of interstate calls of any type placed from the Facility(s).**

COMMISSARY ORDER BY PHONE

DESCRIPTION:

Commissary Order by Phone allows an inmate to order and purchase commissary items using the inmate phone system by selecting an additional menu option on the phone system. Customer's commissary operator provides an interactive voice response system ("IVR") and a speed-dial number (800#) into the commissary's IVR. Customer

hereby requests that Provider work with Canteen Services to set up and activate Commissary Order by Phone at the Facility.
