Dear Mr. Raher:

I am writing in response to your email received on August 3, 2022, in which you made a request for records, which we will respond to pursuant to the California Public Records Act (Gov't. Code § 6250 *et seq.*).

Specifically, you requested,

*“all currently operative contracts (including amendments) between the Contra Costa Office of the Sheriff-Coroner and Global Tel*Link Corporation (or Global Tel*Link doing business as ViaPath Technologies).”*
